EXPERIENCE

Freelance Business Analyst

Global Shipping Agencies, Inc.

Nov 2024 – Ongoing Port St. Lucie, FL (Remote)

- Provide logistical analysis and stakeholder support for US and Central American operations.
- Automated manual reporting via a Python ETL pipeline to ingest and enrich DBF files into a portable SQLite database, improving performance and reducing Excel workbook size by 85%.

Senior Business Intelligence Analyst

Dana-Farber Cancer Institute

Apr 2023 – Sep 2024 Boston, MA

- Managed clinical pharmacy data reporting through Tableau dashboarding, creating and maintaining Snowflake-based (SQL) datasets sourced from EPIC EHR data
- Performed end-user training, stakeholder engagement, and Agile project management

Business Intelligence Analyst

Parable Associates

Jul 2021 – Feb 2023 Oceanport, NJ (Remote)

- Managed Tableau and Power BI dashboarding for operational, clinical, and financial users
- Developed self-service reporting packages through Snowflake (SQL), including ownership of client on-boarding and persistent knowledge transfer

Clinical Systems Analyst I

Tufts Health Plan

May 2019 – Jul 2021 Watertown, MA

- Supported clinical users and applications through Jira-based ticketing triage, optimizing clinical business workflows and documentation
- Performed routine database administration, configuring member correspondence and clinical assessments in MHK (formerly MedHOK)

Data Integration Specialist

Partners In Health

Jun 2017 – May 2019 Boston, MA

- Replaced Excel-based reporting with a suite of Power BI dashboards, co-developing logic (ETL, OLAP cube) and automating consumption (MS Power Automate, SharePoint)

EDUCATION

MSc in Global Demography

University of Vienna

Sep 2024 – Oct 2026

Demographic forecasting, fertility–mortality–migration analysis, multidimensional population dynamics, econometric and statistical modeling

MSc in Health Care Informatics

University of Central Florida

Aug 2015 – May 2017

Database administration, bio-statistics, healthcare project management

BA in Philosophy

University of Florida
